## Welcome

Welcome to the 15<sup>th</sup> Inter-Regional Cross Country Championships and the 15<sup>th</sup> Anniversary of the Phil Costley Shield. It is wonderful to have over 300 participants in this event today, not to mention all of the supporters and families joining us as well. It is great to have Phil Costley racing today along with some of our past competitors. Congratulations on making your own regional team or just for taking up the challenge to enter as an individual. We wish you all success today in achieving your own personal and team goals.

Welcome also to our official photographer, Karen Geary who has come from Timaru to photo the event – so please order from her.

A special thanks to the Hurunui District Council for use of the Woodland Walk Reserve and also to Amuri Area School for supplying marshals on the course.

Hopefully most of the competitors today will enjoy being hosted by Wellington next year on Thursday 24 September 2020 (tbc) as the IRXC2020 moves back to the North Island. If you are a Year 8 today, please make sure you pencil in and compete in the New Zealand Secondary Schools' Cross Country in Hawera, Taranaki, on 20-21 June 2020.

Enjoy the course, the race, the competition, the pools, the whole Hanmer experience!

It is farewell from me after 15 years of the IRXC - may it long continue!

*Paul Norton on behalf of Primary Sports Canterbury*

# General Race Rules and Information:

## 1. Competitors:

The event is open to children in school years 5-8. School year is deemed to be the current year at school during 2019. Runners may only run in one race category.

## 2. 8 x 1km Inter-Regional Relay:

A team consists of eight runners, one from each Year/Gender group. Runners may run in any order and must pass a baton. If a runner cannot complete his/her lap, the runner listed on the next lap must run back and get their baton. They then proceed to complete the injured runner's lap before commencing their own lap. Only runners who have competed in an individual event can run in the relay. Regions may enter only ONE team and the running order must be handed in by 1.00pm to the results tent.

## 3. Placings:

Both individual and regional team placings will be calculated for each of the eight grades and gold, silver and bronze medals will be awarded to individuals and the four team members of the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> teams. Only those selected to run for their regional team may run and be counted for the regional results. The team calculation is based on the first four runners for each region ("A" team), the next four runners for the region are the "B" team etc. In the case of a tie, the team with the highest placed fourth scoring runner will be ranked higher. eg. Tasman has 1<sup>st</sup>, 2<sup>nd</sup>, 12<sup>th</sup> and 18<sup>th</sup> for a total of 33 points. Canterbury has 3<sup>rd</sup>, 5<sup>th</sup>, 8<sup>th</sup> and 17<sup>th</sup> for a total of 33 points. Canterbury is ranked higher on account of the fourth scorer's position.

## 4. Points:

The Phil Costley Shield will be awarded to the region with the most points from all nine races (including the 8 x 1km Inter-Regional Relay). For each race, five points will be awarded to the region with the winning team, four points will be awarded to the region gaining second place etc. For the Phil Costley Shield **only one regional team** will count for points – ie only the "A" team counts, even if a region's "B" team was 2<sup>nd</sup> or 3<sup>rd</sup>. Points for the 8 x 1km relay will be awarded in the same way as teams' races.

## 5. Footwear/ Rules:

All participants must wear suitable footwear. Spikes are allowed. No bare feet. No pacing of runners. If there are two markers (cones, flags etc.), runners must run through them. Where there is only one marker, runners may run within 5 metres of the marker. If a runner goes off course, they must run back.

## 6. Conduct:

All athletes must participate in the spirit of fair play. Impeding a fellow competitor in any way, such as pushing, tripping, shirt-pulling or deliberate obstruction shall result in immediate disqualification and withdrawal from the race. **Any problems/disputes must be lodged with the race referee, Daniel Reese (Athletics Canterbury), within 30 minutes of the race finish.**

## 7. Managers:

Please ensure your team knows their start times. Please assist at the start by helping runners to put on their race numbers and lining up competitors as advised by the starter.
